Compatriots,

The recent events in New Orleans have been heartbreaking and, honestly, completely insane. The current mayor, Mitch Landrieu, and the City Council have completely derailed and are destroying the history of the very city they were elected to protect. Ironically, in the early morning hours on Monday Mr. Landrieu, according to reports, had local firemen dismantle one of four monuments that he and other elected officials (not the citizens) alleged to be offensive to the citizens of New Orleans. The irony here is that Landrieu himself narrowly escaped house arrest for owing the firefighters pension fund over \$70 million dollars; yes, \$70 million dollars.

In 2015 word was received that the Mayor and his council started laying the groundwork for their plan, much like ISIS, to destroy monuments of our ancestors. With this information, the local Camp and Louisiana Division entered into litigation to stop this insanity. The National SCV entered into the litigation at a later date in an attempt to block the removal of historical monuments placed in the city. Thus far, after over thirty thousand dollars and countless hours of discussion and litigation, the fine men of Louisiana have basically been railroaded by Landrieu and his cronies over the years. What I personally find to be so ironic in all of this insanity is that for thirty two years the City was run by people of color who respected historical monuments, but now Mr. Landrieu chooses to create division among the people for some perceived political gain or notoriety. It is reported that Landrieu now has a list over one hundred streets and school names he wishes to change.

After much consultation with the Division Commander of Louisiana and members of my staff I am calling for a BOYCOTT of the City of New Orleans by the members of the Sons of Confederate Veterans and all right-minded people. Please visit Confederate Memorial Hall in this once fine Southern city but do not spend any of your hard earned dollars

otherwise in the City. We must stand strong and let the historical terrorists and haters know who we are and what we stand for!

New Orleans is no different than any other large town in the Southeast, and tourism dollars are what they thrive upon. New Orleans' busiest time of the year is Mardi Gras, and the money raised every year is used to promote the Mayor and City Council's agenda. While I encourage you to visit Louisiana and the countless towns and communities that host Mardi Gras festivals, please avoid New Orleans. Let our voices and dollars be heard!!!

Therefore, I call for a BOYCOTT of New Orleans, LA and highly encourage each of you to spread the word to friends and family. We need to show Mr. Landrieu and his cronies that we will not stand for his ISIS tactics and the absolute destruction of OUR history under the cloak of darkness with snipers on rooftops. We must collectively let the powers that be know that we will not allow OUR HISTORY and the world's history to be destroyed or re-written by a few despicable people in power!
